NO. 18.

2 CIVIC GROUPS UNDER ONE HEAD IS NEW PROJECT

Directors of Business Men's Group and Chamber to Determine Fate

WILL MEET ON MONDAY

Unification of All Civic Activity Is Hope in New Program

Directors of the chamber of commerce and the Upland Business Men's association will meet in a joint session Monday night to discuss the proposed plan of either joining interests or eliminating one of the organizations. Prior to this meeting, the association directors will meet in the association office.

Unification of civic and community welfare work under one organization and the possible elimination of either the chamber of commerce or the Upland Business Men's association is a project underway within the city today.

Believing that the city and its residents can better be served with only one organization functioning and with a secretary devoting more time to furthering civic interests, directors of the two organizations will meet in a joint session to determine future action.

Tentative plans also call for the divorcing of the credit rating system and the collection bureau from the civic organization.

Separate meetings of the directors of the Business Men's association and the Chamber of Commerce this week resulted in the common view that only one organization should be maintained. In Tuesday night's session of the association directors, President Roy Karr called for an open discussion and each director in turn expressed his views, with all but two of the present declaring themselves for a unification of effort. The chamber directors in a meeting Wednesday noon heard a report of the Tuesday night meeting and looked forward to a joint session.

Before any definite action, a complete survey among the business people and many chamber of commerce members will be taken. The association directors Tuesday estimated that it would be two or three months before the future course would be determined.

J. G. Cadman, new secretary of the association, voiced the hope in Tuesday's meeting that the business people would still maintain some organization and asked for the full cooperation of the association members. He told of his plans to make the present association more effective and urged the continuance of the organization as it is today.

The idea of the city having only one civic organization has been offered from time to time and the first open discussion by the association members on the matter came at Tuesday's meeting.

Blohm's To Be Met At Pier by Friends

Mr. and Mrs. H. O. Blohm who are returning on the S S Virginia by way of the Panama canal from an extended visit in the east, will land at Wilmington tomorrow morning and when they leave the ship they will be given a hearty welcome home by a group of Upland friends.

The liner is due at 9 a.m., but at just what time the passengers will be permitted on shore is not known, however, at whatever hour, the Upland friends will be on hand to greet the returned travelers. In the group going down will be Mr. and Mrs. Harry Flowers, Mr. and Mrs. R. B. Bordwell and daughter Judith, Lynette and Peggy Grahame, children of Mr. and Mrs. J. L. Grahame, and Robert Sawyer.

Robert Townsend, son of Mrs. Beth Townsend, and his cousin, Charles Townsend of Huntington Park, are spending the summer on an alfalfa ranch near Victorville. Thursday Mrs. Townsend and her daughter, Betty, motored out to Victorville to visit the boys. They expect to return Saturday.

Check From France Joins Whitney to Local Civic Group

In far away Europe, there is an Upland man, who believes that the chamber of commerce is an organization that should receive support regardless of where one is located or what he is doing. He not only believes it for one year—but for many years. Bradford Whitney, a one-time active civic worker here, is in England at present, but early last month he was in France and from that country came his \$5 check for membership in the chamber. It arrived this week.

A similar check from France has come to the chamber for the last two years, and according to Clair E. Kirk, secretary, it is Mr. Whitney's expression of what the chamber means to him and to the city.

GOLD STAR WOMEN ARE BEING SOUGHT

Local Legion Wants Names of Mothers Whose Sons in Foreign Grave

All Upland gold star mothers whose sons lie in graves overseas are to be given an opportunity to join in a pilgrimage to France to visit those graves, according to an announcement made this week by Congress. Man Phil D. Swing, who stated Congress has made an appropriation for that purpose and the gold star mothers will be given a free trip to the land where their sons served and died.

In telling of the announcement by Mr. Swing, Milton Huxtable, commander of the Upland American Legion post, said today that he has been requested by Mr. Swing to secure the name and address of every gold star mother in the Upland district. Some of these mothers, of course, are known to the Legion, but with the thought that others who have no son in the Legion may have moved into the community, Mr. Huxtable is asking that all gold star mothers communicate with him or that anyone knowing of a gold star mother notify him.

All mothers who wear the gold star are asked to report, whether or not they have sons sleeping in France, as the government officials desire to keep in touch with them.

SITE OF NEW WELL TO BE BEAUTIFIED

Manley Tells of Plans For Building of Pump House and Booster Line

Building of a pump house, a reservoir, and a booster water line and the beautification of the site of the city's new well on Sixth avenue are included in plans being made today by Richard G. Manley, city engineer.

In connection with the city's recent purchase of a pump for the new well, Mr. Manley explained that the water from this well will be taken up to the city reservoir on Fifteenth street, but no actual work can be done until it is determined how much water the well will produce.

Machinery for the well will arrive next week and in two weeks a test will be made. After the volume is known a booster pump of the proper size will be purchased, the booster line built and connected with the reservoir. Shrubbery, lawn and trees will be planted on the well lot and a winding sidewalk will lead from Sixth avenue to the pump house, Mr. Manley said in telling of his plans.

Symphony Orchestra To Play at Church

Selections by the Chaffey Little Symphony orchestra will be heard by West End churchgoers sometime during August as the result of the efforts of Fred Wilding, Jr., director. It was announced today that word has been received from all the orchestra members to the effect they will respond to the call when the date is set for the orchestra's appearance next month.

MUSICAL CHORUS IS BEING FORMED TO APPEAR EACH WEEK

J. Lynward Grahame to Lead Singers in Program at Band Concerts

BEST TALENT IS UNITED

First Program by Group Not Definite, But Will Be Within Two Weeks

Best singers of the West End will be united in a community chorus and sing at the band concerts during the remainder of the season, it was announced today, although the first appearance of the local organization has not been set.

Under the leadership of J. Lynward Grahame, the singers will be united, many of them being taken from the community choir that appears at the community church service every Sunday night in the Chaffey amphitheater. Appearance of the chorus will add a new attraction to the already popular band concerts.

It is likely that the chorus will make its appearance for the first time July 25, although there is a possibility of the singers being on the program next Thursday, their opening date depending whether Phil D. Swing can arrange to speak here.

Formation of such a vocal organization has been contemplated for some time, and many local music leaders look forward to the permanent organization of singers.

Announcement of the plans to add the chorus program, came today following last night's band concert. The program given by the band last night has caused much comment. A large crowd was at the park and heard Ralph Vacca in a cornet solo, and heard the various selections by the musicians of the band, of which G. A. Brest is manager.

Fred Wilding, band director, today highly commended the band men for their performance.

Many Big Events Are Planned For Legion Convention

Arrangements are rapidly being perfected and programs made out for the big state convention of the American Legion to be held in San Diego on Aug. 19-21. E. E. Marsh of the local Legion post has received a program which lists the events for the first day, Monday, Aug. 19.

San Diego is preparing for 20,000 visitors during the convention. There will be more than 50 bands and drum corps and drill teams will compete for state honors.

The Legion parade will start promptly at 3:30 p. m., going east on Broadway to Fifteenth and north on Fifteenth to the stadium. The length of the parade will be more than a mile and a half. After the parade there will be staged a gigantic air parade or massed flight, more than 200 navy aircraft being in the air at one time. There also will be an exhibition of parachute jumping by the army and navy and visits to the naval air station at North Island where there are planes of all kinds, some carrying bombs weighing 1100 pounds.

Much interest is being manifested in the coming convention by local Legion men.

Wineville Man Hurt As Cars Crash Today

George Patten of Wineville was seriously injured in an auto collision at 3:15 o'clock this afternoon when the machine in which he was riding collided with another car at the intersection of Second avenue and "A" street.

Being knocked through the windshield, his head and shoulder hitting the pavement, Mr. Patten was cut in many places and received injuries to his neck and head.

He was rushed to the San Antonio Community hospital where an examination was being conducted.

Mr. Patten is a honey man and was leaving the city, going west toward Euclid avenue. Driver of the other car could not be found a few minutes following the crash. Ernest Reider, driving the machine in which Mr. Patten was riding, was uninjured.

Rain Record for Past 38 Years Revealed; Begun by A. P. Harwood

Beginning back in 1891, on July 1, the late A. P. Harwood started keeping a rain record at Twenty-second street, where he then lived, and to this day that record is unbroken. Upon Mr. Harwood's removal to East Ninth street, he arranged with Robert Mitchell to keep the rain gauge for him in order that the Twenty-second street record might remain unbroken. Since Feb. 1, 1919, J. R. Johnston has faithfully kept the record, not an inch of rain that has fallen during that time has failed to be recorded.

In pioneering the work of keeping this excellent rain record, Mr. Harwood won the gratitude of many ranchers who have found the record very valuable. His keen interest in the development of the citrus industry in this section, his foresight in recognizing the comparative value to growers of an accurate rain record kept over a number of years, and his patience in keeping up the work entirely gratuitously through many years are deeply appreciated by all who have profited by his work.

Heaviest Rain Recorded
In the table of averages given below, it will be noted that in the ten-year period from 1909 to 1919 the average is higher than in any other period. This is accounted for by the unprecedented rainfall in the month of January, 1916, when the record-breaking total of 27.72 inches was reached. This

was the heaviest rain ever to fall here since records have been kept and much damage by floods resulted. The total for that season, 1915-1916, was 40.36 inches.

The average annual rainfall during the past 38 years was 21.68 inches. Mr. Johnston has compiled a table of average rainfall during the 38-year period covered by the Twenty-second street record, taking first an eight-year period, then three 10-year periods, as follows:

Years	Average
1891-1899	17.40 inches
1899-1909	22.49 inches
1909-1919	24.80 inches
1919-1929	21.18 inches

Past Season's Record

Residents here who follow and make use of this rain record and who possess record cards, may fill in the monthly totals for the past season as follows:

1928—	Average
No. Inches	
July, Aug., Sept.	None
October	.72
November	1.47
December	2.82
1929—	
January	2.21
February	2.31
March	2.84
April	2.63
May	None
June	.21
Season Total	15.21

DELEGATES RELATE CONCLAVE EVENTS

Fred Draper, J. W. Mehl Describe Features of Big Convention

Glimpses of what was offered at the International Lions club convention at Louisville, Ky., were offered to the Upland club at its meeting yesterday noon by Fred E. Draper, president, and J. W. Mehl, secretary.

Mr. Mehl outlined features of the trip on the special train from Upland, and Mr. Draper, the club's official delegate spoke of the various sessions and reviewed some of the addresses. Hubert Manker was the other Uplander at the convention, and he is visiting in several eastern points before returning here.

Harold W. Cook, a member of the new program committee, was in charge of the meeting. The first meeting in each month will be known as "local talent" meeting, with one of the program committee members in charge and presenting various members of the club in the program.

A committee of five was appointed consisting of Leigh Thompson, chairman, Fred Williams, Ralph Alquist, Milton Huxtable and Vernon Paine, to arrange for a gathering at San Antonio Park of all the Lions and their families at which time a picture of the children would be taken in the wading pool that was recently constructed by the Upland Den.

An invitation was read from the Old Baldy Council Boy Scouts of America to all Lions to attend the Boy Scout camp at Camp Tulakes, Sunday, August 18th.

Club guests were Ted C. Combs, Clyde S. Duncan and Harry M. Guy. Rev. Fred Carter and W. R. Adams were Ontario Lions visiting.

Miss Clark Leaves For Camp Program

As dean of the camp, Miss Anna Beall Clark, director of religious education, left today for Camp Idyllwild where for two weeks she will direct the program of training for leadership.

During her work in Upland, Miss Clark has gained recognition among the Southern California church leaders and her selection as dean will place her in direct charge of the camp activities.

Charles Ruedy Buys Hotel at El Centro

Charles E. Ruedy of Upland has purchased the furniture and leased the El Dorado hotel at El Centro and in connection with this business, he has been in the Imperial valley several times recently.

The establishment has 55 rooms, is well located, and has a large patronage.

UPLAND MOTORISTS URGED TO CONFORM WITH STRICT LAW

Licenses Are More Difficult to Obtain and Are More Valuable, Is Word

AUTO CLUB GIVES RESUME

New Provisions Require All Drivers To Keep Card and Records

Upland motorists were today advised to study the new motor law, be ready to meet the new requirements and to always have their drivers' license.

The Auto Club of Southern California issued a resume of the new act and pointed out the importance of abiding by its provisions. Ivan Kelso, chief counsel for the club prepared the information, which was received today by several local motorists.

Heretofore it has not been a difficult thing to obtain an operator's license; neither has it been a serious offense for a person to operate a motor vehicle without having an operator's license upon his person, nor have many operators' licenses been revoked. After August 14 next operator's licenses will be more difficult to obtain; it will be important to carry such license upon the person and revocation of operators' licenses will be more frequent.

All operators' licenses issued after August 14 will expire at the end of two years and must thereafter be renewed. All operators' licenses which are now outstanding will gradually be called in and a new type of license card will be substituted. This new type of card will contain a space in which an endorsement may be made of the record of each revocation and suspension of the license, and in addition, of each conviction of the violation of certain sections of the vehicle act.

Should an operator be arrested for and convicted of speeding, the date of the conviction and perhaps the amount of the fine or extent of the sentence imposed with the name of the trial judge will appear upon the card.

A similar endorsement will be made upon the license card in the event of the conviction of the holder for driving while under the influence of liquor and for reckless driving, and for failing to drive on the right hand side of the road when it is practicable to do so, and for the improper overtaking and passing of another vehicle or street car, and for failing to stop and render aid following an accident.

Because of the fact that an operator's license will hereafter reveal the driving record of its holder, it is important that an operator should always carry his license upon his person while operating a motor vehicle. A failure to do so constitutes a violation of the vehicle act and the provision formerly in the law, that such omission will be excused upon a later presentation of the license, has been eliminated.

Foster Feirall, of the Good-ban shoe store, and Mrs. Fairall and Mr. and Mrs. J. A. B. and family are planning to leave Sunday morning for a 10 days trip to Yosemite and Lake Tahoe. They will return by way of Sacramento and San Jose.

Mrs. Lottie V. Fuller provided a happy party for a number of children Wednesday when she took them to San Antonio park where they enjoyed playing in the splendid new wading pool. A picnic lunch was also enjoyed.

Mr. and Mrs. W. H. Spicer of Fifteenth street left today for Glendale, where they will remain a month. Mr. Spicer will be back in Upland frequently, but they will visit and rest in Glendale until some time next month.

Mr. and Mrs. John Swoap and daughter Evelyn, who went to Phoenix, Ariz., two weeks ago, remained there a week and have been spending the past week at Balboa Beach. They are expected home Sunday.

Kenneth I. Hanson will leave early Sunday morning for Exeter, where he will remain two days inspecting his prune orchard.

Uplanders to Hear Australian Tell of Prohibition Study

DR. GIFFORD GORDON

Many Uplanders are today looking forward to the appearance in the union church services at Chaffey of Dr. Gifford Gordon of Australia on July 21.

"Hold Fast America," will be his topic, and his remarks will come out of his six years' experience in traveling in this country. He has been making a special study of the effects of prohibition, his information being secured from official sources and not from temperance organizations.

Those in charge are preparing for a capacity audience.

MANY LIGHTS TO SHINE ON RIDERS

Upland Riding Academy Exhibition Tonight To Be Broadcast by Ross

With all the horses, sters and equipment here, with all the facilities in readiness and with J. Ross of the Ross Auto Electric shop installing his public address system, many were looking forward to the exhibition of wild west riding to be given by the Upland Riding academy tonight and tomorrow night.

That there will be no dust, and that the arena will be well lighted was the assurance this morning of Jack W. Case, proprietor. Mr. Ross' public address system will take the details of the events to all those present and the cooperation of the local electric company will aid in giving local people more enjoyment in seeing the exhibitions.

Mr. Case explained that he has brought together the best riding talent and the best animals and he expressed the belief that the local show would be a near equal to the Cotton Rodeo of July 3 and 4. The first events are scheduled for 8 o'clock.

FEW DECREASES IN TAXES SEEN

Grier Says That Upland Assessments as a Whole Not Too High

With the assessment-protesting period almost at an end, Upland people were today interested in the fate of their petitions for reduction, but C. E. Grier, chairman of the board of supervisors, said that no announcement could be made until Monday.

In very few cases, however, he said, did he find that assessments on Upland property were too high and that few reductions would be made. A. E. Allen, county assessor, made a report to the board of equalization today. After the board had returned the assessment books back to the assessor for a study looking to the reduction of assessments.

It is believed that the general policy in making reductions on assessments will be to lower the figure only in case an increase of more than 25 per cent has been made on all the property as a whole, including land, improvements, and trees.

Among the number of Upland men attending the Elks convention in Los Angeles this week were E. C. Mehl, L. W. Baker, J. W. Mehl, Guy Clark, Carol Hamilton and Harry Davis.

PHIL D. SWING IS ASKED TO DELIVER ADDRESS IN CITY

Chamber of Commerce Seeks to Arrange Program For Next Thursday

WILL GET ANSWER SOON

Intermission at Band Concert May Be Setting For Swing's Talk

Congressman Phil D. Swing has been asked by the chamber of commerce to speak in Upland and a tentative date for the appearance of the prominent legislator here is next Thursday night. If he comes, it is probable that he will speak during the intermission at the band concert next week.

Believing that Mr. Swing has a message on the Boulder Dam situation, or other legislation of vital interest to the community, the chamber directors at their meeting Wednesday noon voted to extend the invitation and to arrange for a community meeting.

A brother of Ralph Swing, Upland's city attorney, the congressman has many friends in Upland, and it is believed that he will accept the opportunity to make his first public appearance here in years.

It is understood that a public address system is available for use at the park and this fact was considered when the directors suggested having Mr. Swing appear at the park.

Fred Wilding, Jr., director of the Upland band, said that it would be acceptable to him and his musicians to start 15 minutes earlier than usual and if necessary have a longer intermission.

Outcome of the invitation will be known soon and The Upland News next Tuesday will carry details of the program, should Mr. Swing arrange to be here next week.

Men's Clothes Are Wanted at Salvage Shop, Second Ave.

Although there is at present a very good stock of desirable articles of wearing apparel in the Salvage shop, which is operated by Mrs. J. L. Grahame for the benefit of the general fund of the Woman's Auxiliary of the San Antonio Community hospital, yet there is need for more men's clothing, according to Mrs. Grahame. These articles are always rather scarce and yet there is a good demand for them, so Mrs. Grahame requests that anyone having men's clothing to dispose of bring the articles to the salvage shop on Second avenue, east of the First National bank.

Since there is at present a good selection of women's and children's clothing and household articles, it is suggested that anyone knowing of persons who would be benefited by cheap purchases tell them of the opportunities at the salvage shop. Mrs. Grahame adds that the shop is never overstocked in any line.

Ross Agent For Two New Radio Models

Announcement that J. Ross of the Ross Auto Electric Shop has accepted the agency for the Monarch radio and that he is also selling the Silver radio, has been made.

These two makes are considered among the best and the local man has selected these to offer the local radio users.

Growers Celebrate Baseball Victories

Celebrating their victory over the Upland Merchants in the opening game of the season, and also their victory over Guasti Tuesday night, members of the Upland Lemon Growers Athletic club enjoyed a steak dinner in the Upland Firemen's cabin last night.

Their merriment came through the generosity of Enos Leaman, manager of the team, who promised them a feed if they turned in a victory. Over Guasti they won, 10 to 5. J. Dean twirled the first five innings, with Herbert Dean finishing the mele.

Mr. and Mrs. Charles Ruedy motored down to Long Beach Monday and spent the day.

Study to do your own business, and to work with your own hands.—1 Thessalonians 4:11.

Don't Kick If You Have a Job

Every now and then we hear someone kicking because they have to work so hard—and it always brings to our mind an instance we heard when a boy back in northeast Missouri, where we first saw the light of day. In the town there was a small factory and when some of the workmen would become dissatisfied and kick because they "had to work so hard," the owner would reply:

"Yes, it is pretty tough isn't it? I know of only one thing worse—and that is not to have a job." That usually made a pretty well satisfied workman.

Perhaps we all get in the same frame of mind as those dissatisfied workmen and get to pitying ourselves when we have to "dig in" on the job a little harder than usual for a few days. But we all ought to be thankful that we have a job at which to work, whether we be proprietors or working for someone else. Certain it is that the fellow who is content to do absolutely no work is about as worthless a cuss as one can find. It is difficult to imagine a person who can be absolutely content without working—and yet we have seen some of just that stripe.

We realize there are men who have earned a retirement from hard labor. Men of this kind, however, are very seldom content to do absolutely no work. They have worked hard during their younger days, saved part of their earnings, and accumulated enough to take care of them in old age, but these can usually be found at some daily tasks that enable them to occupy their time usefully about the home or other places.

The fellow who is working for someone else today has an opportunity to become head of a business of his own later on. There are opportunities on all sides for those who show an interest in their work and are not afraid they are doing too much for the wage they get. Some even brag that they are not going to do more work than they get paid for. How can such a workman ever expect to get more pay? The way to get more pay is to earn more than you are getting now, show an interest in your job, and have your employer's interest at heart at all times. Young men of this calibre are always noticed and they are the ones who advance to higher positions and finally to ownership of a business.

This Is the Day of Advertising

In very few things has the attitude of the people so changed during the past decade or two as toward advertising. Advertising is now looked for as eagerly as any other news in the paper—and it really is news, the news the merchant has to tell you about his goods and his prices. Reading the advertising columns of the home paper saves the subscriber many times the price of his subscription every year.

We remember years ago when the merchant placed advertising in the local paper "to help the editor along." Now the merchant feels he is getting his money's worth and the community newspaper ranks right along with the best legitimate business enterprises of the town. The leading merchants of a town are always the best advertisers. Not only this, but they are the merchants who are able to make the lowest prices. Advertising creates volume that enables them to do this.

There are those who say advertising does not pay. There is just one reason advertising will not pay, and that is where the advertiser does not live up to the promises he makes. Advertising that misrepresents will tear down a business as quickly as it will build up one in which the merchant is absolutely honest in the price and quality of the merchandise he advertises.

It is also conceded that the small town community newspaper is the best advertising medium for the reason that it is the most closely read publication printed. Every page is of interest to its subscribers because it chronicles the news of friends and acquaintances and the progress of things going on in the city and community. Further proof of the value of advertising in the community newspaper is the fact that more advertising of national advertisers is now being placed in them than ever before, this medium being recommended by the large advertising agencies, who know where best results are obtained.

So John D. Rockefeller is 90 years old—and he's still "oil" right, physically, financially and mentally. Mr. Rockefeller is a truly remarkable man. He has accumulated a lot of money and he has not ruined himself physically by living the life so customary among the money kings. Not only that, but he has been a real philanthropist and placed millions of his money where it is doing a lot of good to those who could not afford the things he has placed within their reach.

Come right down to the honest-to-goodness truth about the matter can you think of anything more foolish than those fellows who are trying to stay up in the air in an aeroplane the longest? Let's see—we believe there is one stunt that is still worse than that: Pyle's bunion derby—especially when the hoofers don't get their money after they won it.

Henry Ford says there is too much talk and not enough action on the part of prohibition advocates and enforcement agencies. There certainly can't be any complaint about the bootleggers not being there with the action.

We saw some Upland girls going swimming the other day. They had their bathing suits in their caps.

To which class do you belong? We got this from an exchange the other day: "No rug on the floor—happy. Hundred dollar rug on the floor—dissatisfied. Five hundred dollar rug on the floor—jealous of the Joneses. Thousand dollar rug on the floor—five hundred dollars in debt." And ain't it too often the truth!

The largest yeast manufacturer and two of the largest baking powder companies have consolidated. Well, so far as the fellows who have to pay the bills are concerned they can go ahead and raise most anything but the price.

What Nearby Editors Have to Say

Claremont Courier: After all you don't have to put ash trays in your car. That was one of the superlative legislative bills Governor Young did not sign.

You can go right ahead and toss cigar ashes on the floor of the car just as you do on the carpet at home. But don't toss a lighted cigar, cigarette or match from a car except when you are going through a swamp.

Macon Telegraph: "Husbands must train their wives in the first months of marriage," says Dorothy Dix, "while they are still willing to heed advice." Dorothy is getting funnier all the time.

Jackson News: An exchange has an editorial asking, "Can War Settle It?" War can't settle anything—it can't even settle its bills.

San Bernardino Sun: Railroad diners are to have smaller napkins and tablecloths, but patrons will be patient about that if the pie remains the same size. To cut that would be cruel, even difficult.

Chino Champion: Synthetic sunshine is being prescribed for ailing children in Chicago. Let us hope that it has a better effect than synthetic moonshine does on some of the elders.

Old Stories of Upland in New Type

(From the News Files)

TEN YEARS AGO
Miss Hazel Wright of the Commercial National bank has resigned and gone to Long Beach, where her parents have located.

Miss Neva Eymann and Miss Mildred Wedel, of Redley, Calif., have been guests of the Misses Lillian and Rhoda Widmer.

Earl Kitchel is recovering from a severe attack of poison oak, contracted while in San Antonio canyon.

Sam Rowe has just returned from overseas and Mrs. Rowe, who has been bookkeeper for the Mehl hardware company, has resigned her position.

Christ Episcopal church was the scene of the wedding Tuesday morning of Miss Olive Amanda Granger and Clyde Darwin Du Vall, assistant cashier of the First National bank.

FOURTEEN YEARS AGO
Al Jennings, reformed Okla-

homa train robber, was held up by bandits on a Pacific Electric car at Ganesha Junction Sunday night after he had preached at the Methodist church.

Miss Clara Williams, Miss Bertha Watson and Miss Harriet Riley are spending part of their vacations in San Diego attending the exposition.

Merrill and Hamlet Moremen left this week for Washington, where they will spend several weeks.

Mrs. R. C. Williams, who has been very ill with appendicitis, is now able to be up part of the time.

From Shanghai, China, a letter has been received addressed to the "Bandmaster of Chaffey Union High School." The writer had heard of the Chaffey musical department and wanted to know how to reach the school.

Annual Dairy Day by Cow Testing Assn.

The annual dairy day and barbecue is planned to be held at Chino July 20. This event is put on annually by the San Bernardino County Farm Bureau Cow Testing association. The events of the day will begin at 9:30 a. m. at the city park in Chino. The schedule includes the following:

Baseball game between Unit No. 1 and Unit No. 2 of the Cow Testing Association, using indoor ball with regulation outdoor rules.

Horseshoe pitching contest and novelty events.

At 12 o'clock there will be a barbecue picnic. The Cow Testing association will furnish barbecued meat sandwiches, beans, coffee, and ice cream. Following the lunch there will be some after-dinner speaking, community singing, and some special Swiss music. The program will be completed by 2 o'clock.

All dairymen of the county and other people connected with the dairy industry are invited to attend the celebration.

Annual Red Cross Quota Is Reduced

The annual Roll Call will be held as usual beginning Armistice Day and ending Thanksgiving—11th to 28th. Upland's quota has been lowered to 500. A letter received from headquarters said that according to Upland's population and resources she has been asked to carry too high a quota in comparison with other chapters. In the Pacific area the 1926 roll call shows a membership of 327,113, which increased in 1928 to 422,447, thus showing that Red Cross work is worth while.

The work on Upland's quota of layettes, laundry bags, sweaters, bed-jackets, bath robes and Christmas bags, is progressing. The Christmas bags go to soldiers and sailors in foreign lands and must be ready by August in order to reach them by Christmas. The layettes go to the Philippines or Mexico, the other articles to the hospitals for disabled soldiers and sailors.

Hillcrest Hops by A. Rabbit

Lyle Ried and James Burkett of Hillcrest spent an enjoyable day at the beaches the Fourth of July. A visit to their parents' homes in Inglewood was made also that day.

W. W. Morris of the Hillcrest office is enjoying a month's vacation away from his office duties. The Fourth proved a very full day for Mr. and Mrs. J. H. Blake and their guests, Mr. and Mrs. Stedham of San Bernardino. In the morning the four enjoyed a picnic party at Ganesha park, Pomona. In the afternoon they motored to Los Angeles, and on their way visited the two largest dairies in the world, one having

600 cows and one having 1000. On their way home that night the group visited the Arabian horse farm near Pomona.

Mrs. Leslie Foster returned on Thursday from a week's visit with relatives in Hollywood and Glendale.

Mr. and Mrs. Ray Brown were visitors to Balboa over the Fourth, bringing home the report that there was scarcely standing room at the beach on the holiday.

Mrs. E. Hill had the misfortune to break her arm while working about the house last week, and is now enjoying an enforced vacation. Mr. Hill is the Hillcrest night watchman who took I. W. Essex's place about two months ago.

F. J. Hogan traveled to Anaheim Tuesday of this week and purchased from F. W. Baker of

that city a son and daughter of time. The addition of these two animals to the Hillcrest herd is a forward step in the production of rabbits.

New CHEVROLET Sixes
on the road since Jan. 1st!

Today's Chevrolet is scoring a huge nationwide success because it represents one of the most sensational achievements in automotive history—a Six in the price range of the four.

The Chevrolet six-cylinder engine delivers its power freely, quietly, and easily throughout the entire speed range—delightfully free from annoying vibration and rumble. Combined with this remarkable six-cylinder smoothness are equally remarkable speed, power and acceleration—and an economy of better than twenty miles to the gallon.

In addition to such sensational performance the Chevrolet Six offers the outstanding advantages of Bodies by Fisher. And no car ever provided a more impressive array of modern convenience features—adjustable driver's seat and VV one-piece windshield in closed models, easy action clutch and gear-shift, ball bearing steering, and instrument panel complete even to theft-proof Electrolock and electric motor temperature indicator!

2 ARRESTED FOR ENTERING CANYON

W. N. Musselman Stresses Need For Keeping Out of Closed Area

Positive warning in the form of arrest and fine for trespassing has again been given by W. N. Musselman, deputy fire warden in San Antonio Heights, that the closed areas in the mountains are not to be entered by anyone for any purpose at any hour of the day or night. And during the fire season the "closed area" includes every square foot of mountain and canyon and brush and grass covered areas leading into the canyons, with the exception of the lawfully established resort camps, which are operated under strict fire regulations, he said.

On the afternoon of July 8, M. H. Allen and his companion of Los Angeles were apprehended in Cucamonga canyon and placed under arrest by Deputy Warden Musselman. Thursday morning they pleaded guilty to a charge of trespassing in Judge Geo. R. Crane's court and paid fines of \$10 each.

Warden Musselman finds no pleasure in arresting trespassers, but he is determined to exert every effort possible to protect the mountains from fire by keeping the closed areas closed.

Any person passing the signs marking the closed areas is subject to arrest and the deputy fire warden wants it known that he is on the job day and night. The trespassers mentioned above are by no means the only ones he has kept from the canyons, but he mentions them as a warning to others to stay out of the canyons.

Upland Red Cross Chapter Meeting Held at Library

The quarterly meeting of Upland Chapter American Red Cross was held as usual at the library, with the chairman, Mrs. W. E. Boulton presiding.

A report was received from the city and school nurse, Mrs. Lottie Fuller. She reported 234 visits made to the Well Baby Clinic by babies alone during April, May and June, who of course all had their mothers along. Besides the mothers and babies attending the clinic every Tuesday afternoon, there were 71 visitors, which goes to show how popular the clinic is.

Mrs. Fuller also visited 61 families during the same period of time, made 15 welfare visits and three pre-natal visits. At her own home Mrs. Fuller held 34 consultations. She also took a sick woman to the doctor three times and a boy to the optometrist.

Mrs. Fuller, working with Mrs. Eckerman, chairman of Welfare work in Upland, furnished beds and bedding to three families, blankets to another family, clothing to five families, layette to another family, three pair of shoes furnished where needed, groceries, jellies and fruit to others.

In May a pre-school clinic was held in the library basement three mornings with Drs. A. L. Weber and John Craig in charge, Mrs. Fuller assisting. Thirty-one children were examined to see if they were in good condition for opening of school in the fall. Their eyes were tested by Dr. Mengle.

Job Printing at The News Office.

Wiener Roast Is Planned by Mary Brainard Tent

A brief but enjoyable meeting of Mary Brainard Tent, Daughters of Veterans, was held Thursday evening at the American Legion clubhouse, with the president, Mrs. Sadie Daniels presiding. During July and August the tent will meet only once each month in place of twice as is the usual custom. The meetings being held on the second Thursday.

At the meeting last evening Mrs. Henrietta Wortham played and sang a number of new patriotic songs which were introduced at the recent convention in Orange.

The regular business transacted the only new business being the planning of a wiener roast. It was decided to hold the outdoor affair in San Antonio park next Tuesday night and the families of the members are to attend. Each member is to bring wieners and rolls for her own family and coffee will be furnished at the park by the committee.

Illness and vacations prevented the attendance of several members, those present being Mrs. Sadie Daniels, Mrs. Mary Haddow, Mrs. A. L. Patis, Mrs. F. B. Harn, Mrs. Nellie Henderson, Mrs. Sarah Nelson, Mrs. Temperance LaPlant, Mrs. Louise Hamer and Mrs. Henrietta Wortham.

In the Shadow

Mrs. Elizabeth E. Kintzi, 1832 East Mauretania street, Wilmington, formerly a resident of Upland, died Tuesday, July 9, in Wilmington, at the age of 55 years. She was the widow of the late Rudolph D. Kintzi and resided on Sixth avenue in Upland for several years. She had been living in Wilmington for the past six years.

Mrs. Kintzi is survived by a daughter, Mrs. Delia K. Chaffin, and two sons, Fred and Cecil Kintzi, all of Wilmington; her mother, Mrs. Elizabeth Ewy; a sister, Mrs. R. C. Soll, and a brother, Reinhold Ewy. Funeral services will be held at Draper's Ontario chapel on Saturday afternoon at 2:30. The services will be conducted by the Rev. Albert Clausen of Los Angeles, a pastor of the Mennonite church of which Mrs. Kintzi was a faithful member. Interment will be made in Bellevue cemetery.

Thomas J. McBurney, 562 Third avenue, died just before noon on Thursday at his home, at the age of 61 years. He had been in California since 1921 and had lived in Upland for the past three years. He was a retired United States soldier, being a veteran of foreign wars and in active service for 30 years. He retired from service in 1920.

Mr. McBurney is survived by his wife, Mrs. Nellie Farrell McBurney, and two sons, Calvin and John, both of Upland. He also leaves in Upland two aunts, Mrs. Becky Ames and Miss Evelyn Collier, and an uncle, William Collier.

Funeral services will be held at 9:30 Saturday morning at Draper's Upland chapel with the services in charge of the Rev. Z. J. Farmer. Interment will be made in Bellevue cemetery.

The Curves
She—Is your wife having any success in learning to drive the car?
He—Well, the road is beginning to turn when she does.

COUNTY COUNCIL AND CAUCUS HOLD LEGION ATTENTION

Several Upland Legion Men Will Attend Meeting at Santa Ana

Congressman Phil D. Swing was the speaker at the meeting of the American Legion county council held Tuesday night in the American Legion clubhouse in San Bernardino. Mr. Swing gave some interesting information concerning recent congressional legislation in behalf of disabled soldiers and told of other plans that are of particular interest to Legion men.

Attending from Upland were Milton Huxtable, Earl E. Marsa, Thomas Larkin, Thomas Hawerton, Floyd Atwood, John D. Howe.

Tomorrow night the Fifth area pre-convention caucus and dinner will be held at Santa

Six Ways You Gain —when you ride the Big Red Cars

- 1 Low Cost**
Communtation fares to Los Angeles are far lower than other forms of transportation. Figure the saving in your own individual case. You save the cost of parking fees, too.
- 2 Added Leisure**
Everytime you ride, you win extra minutes to rest, read or study.
- 3 Less Nerve Strain**
You avoid traffic and parking worries. You arrive rested, ready for the day's activities.
- 4 Pleasure for your family**
When you ride the Red Cars, your family has the use of your automobile all day.
- 5 Safety**
The motorman's whole job—the Pacific Electric's responsibility—is to get you safely to your destination.
- 6 Convenience**
The Big Red Cars travel the direct route, mostly over private rights-of-way. Investigate the convenient schedules. Try the Red Cars the next time you go to Los Angeles.

Ask also about the popular new money-saving Passes for Sunday travel.

C. WHITELY, Agent

Phone 12

Pacific Electric Railway

Ana at which time the candidacy of Col. H. J. Caldwell for state commander will be discussed. The Fifth area is composed of the Twenty-first and Twenty-second districts which include the counties of San Diego, Imperial, Orange, Riverside and San Bernardino. Colonel Caldwell already has secured the endorsement of the Twenty-first district and an effort will be made Saturday night to swing the Twenty-second district into his column. Charles Nice of Imperial, commander of the Fifth area will preside.

Those signifying their intention of attending from Upland are Milton Huxtable, Earl E.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.—Mac the Medicine Man.

ONTARIO

This is why you'll like to own a Westinghouse "Flavor Zone" Range . . .

First—You will get perfect results with your cooking and baking, not once in a while but every time. This means better food and food economy.

Second—The "Flavor Zone" method of cooking with electric heat is clean . . . no odors, no soot, no grease.

Third—All the heat is used to cook . . . none escapes to heat up your kitchen.

Fourth—The "Flavor Zone" range is automatic. Just set the clock for the time cooking is to begin, adjust the thermometer to the heat required, and . . . forget about cooking until it is time to serve

your meal. No basting meat or adding water to vegetables.

Fifth—The "Flavor Zone" range is economical to use because food shrinks one-third less in its oven.

Special Offer this Month

See the new "Flavor Zone" ranges now. Let us tell you how much we will allow you for your present cooking equipment as down payment on these new models and how you may pay the balance on a monthly basis.

See them at any of our offices or your own dealer.

Marsh, Floyd Atwood, Thomas Howerton and John D. Howe. Only elected delegates to the state convention will have a vote at this caucus, but any Legion member may attend.

Attend Missionary Meeting Wednesday

Mr. and Mrs. J. J. Atwood ac-

companied by Mrs. Lester Jones and children, spent Wednesday in Long Beach, where Mrs. Atwood and Mrs. Jones attended a convention of the Woman's Foreign Missionary society at which the founding of the organization 60 years ago was commemorated. There was a large attendance, many representatives being present from societies through the dis-

trict, and a splendid program was given including an interesting address by a missionary returned from the Philippine Islands. While the women were attend-

ing the meeting Mr. Atwood and the Jones children spent the time on the beach, finding the sunshine, the sand and the water a pleasant combination.

Notes of Society

La Estrella Auxiliary Meets Wednesday at the Gaither Home

Mrs. Oscar Gaither was hostess Wednesday for the La Estrella Auxiliary to the Order of the Eastern Star when the members gathered at her home in San Antonio canyon for luncheon and a social afternoon. Mrs. Morris Reynolds was co-hostess with Mrs. Gaither and they furnished the hot rolls and iced tea and coffee while the other members contributed the various dishes for the very delectable luncheon that was served at the noon hour.

Following the luncheon a brief business session was held and the roll-call was answered by each member giving some interesting current event or other bit of information. Mrs. Thomas Settle, vice-president, presided, and Mrs. Charles O. Deverts acted as secretary pro-tem.

During the afternoon the guests amused themselves as they played, some doing needle work, others playing bridge, while a number found pleasure in visiting with their friends.

La Estrella auxiliary meets the second Wednesday in each month, and for the next meeting, on August 14, the auxiliary will entertain the Chino valley auxiliary at the Fourth street park in Ontario.

Attending the meeting at Mrs. Gaither's Wednesday were: Mrs. Mary Eckerman, Mrs. T. M. Nichols, Mrs. Bell Wisely, Mrs. D. J. Burlingame, Mrs. W. S. Avery, Mrs. D. D. Crew, Mrs. C. O. Deverts, Miss Ruby Moser, Mrs. Thomas Settle and Baby Charles, Mrs. L. E. Moser, Mrs. Isabel Foster, Mrs. Mary Wilson, Mrs. R. G. Manley and two daughters, Roberta and Dorothy, Mrs. Gus Anderson, Mrs. F. W. Palmer, Mrs. R. W. Farmer and children, Ernest and Eleanor, Mrs. Laura Page and Mrs. Ray Gage.

Miss Helen Hilty Is New County President

Miss Helen Hilty, treasurer of the Upland Business and Professional Women's club, is the new county president of Business and Professional Women's clubs, according to an announcement made Wednesday by Miss Margaret Harris, president of the Upland club. Miss Hilty succeeds Mrs. Minnie Roloff of Ontario.

Until recently the county organization has included only two clubs, those in Upland and Ontario, and it has been the custom for the clubs to alternate in naming the county president. In a recent conference, Miss Harris and Mrs. Bertha Dee Gholson, president of the Ontario club, named Miss Hilty for the position and at a meeting of the Ontario club held Tuesday night at the Ontario American Legion clubhouse, the members of that club unanimously approved her selection. The action of the local club officials in naming Miss Hilty is subject to ratification by the district board which will meet sometime in August, and upon her assuming the county office Miss Hilty will become a member of the district board.

Next year the newest club in the county, the San Bernardino club, probably will be entitled to a voice in the selection of a county president.

Upland Bride Among Honored Guests at Party

A merry party with a triple purpose was given by members of the Euclidian club of Ontario on the eve of the marriage of one of the members, Miss Rohma Wisely, who was one of the honored guests, the other two, also members of the club, being the recent brides, Mrs. Percy Garrison, formerly Miss Georgia Brunfield, and Mrs. Elmer Berg, formerly Miss Helen Patton.

The prettily appointed party was given at the attractive new

home of Mrs. Harry Magill, North San Antonio avenue, she also being a bride of but a few months.

The rooms were brightly decorated with various garden flowers and a delectable collation was served. Some time was devoted to playing bridge, the high score prize being won by Miss Helen Goodrich.

The club members, with pretty ceremony, presented each of the three honorees with a handsome silver tray heaped with good wishes for her future happiness.

Twenty odd guests were present and the event proved a very happy one.

Little Bobby Nichols Celebrates His Birthday

Little Bobby Nichols, two years old, son of Mr. and Mrs. Frank K. Nichols, celebrated his birthday Tuesday evening when a jolly family dinner was given on the rear lawn of the Nichols home, 2236 Laurel avenue. Although it was not exactly clear to Bobby just why so much good fortune should befall him on that particular day, yet he was quite happy to be the center of so much pleasant attention and to play with his new toys.

Program Committee For August Meets Tonight

At the call of the first vice-president, Miss LeOle R. Lee, the program committee for the August dinner meeting of the Upland Business and Professional Women's club will meet at 7 o'clock this evening at the home of Miss Lee, 520 Campus avenue, for the purpose of discussing plans for the dinner program.

Miss Lee, who by virtue of her office as first vice-president is also permanent program chairman, has extended an invitation to attend the meeting to Miss Margaret Harris, club president, and Mrs. A. E. McLaren, past program chairman. Members of the August program committee who are expected to attend are Mrs. Rose Burwell, Miss Anna Beall Clark, Mrs. Una R. Winter, Mrs. Elizabeth Brain and Miss Elvira Ruth.

County Board Meeting At Fontana July 19

Announcement was made today by Mrs. B. F. Warner of Ontario, president of the County Federation of Women's Clubs, that a meeting of the county executive board will be held on Friday, July 19, at the clubhouse of the Fontana Woman's club. The executive board is composed of the county president and her staff of officers and includes the presidents of all clubs in the county and the various county chairmen.

Included in this list from Upland are: Mrs. Una L. Winter, president of the Upland Woman's club; Mrs. I. C. Baxter, chairman of juvenile delinquency, and Mrs. W. F. Goodban, chairman of literature.

W. C. Borns Enjoy Family Reunion Picnic
Mr. and Mrs. W. C. Born and

daughters, Misses Elizabeth, Christina and Cornelia, and son Philip were attendants at a delightful family reunion held Sunday in the Covina city park and attended by 25 relatives, all formerly of Missouri. An excellent picnic dinner was enjoyed and the children of the party had a happy time playing on the swings and other playground equipment and in the fine plunge.

Beside the Born family, the attendants were Miss Florence Alexander of Tipton, Mo., Mrs. C. E. Born and Mr. and Mrs. Joe Fitzpatrick, of Englewood; Mr. and Mrs. George Martin and family, Mr. and Mrs. W. H. Mund and family and Mr. and Mrs. Paul Markham and daughter, and Mrs. Joe Goetz, all of Los Angeles; and Mr. and Mrs. W. R. Hill of Long Beach.

Evening Picnic Held By Postoffice Force

Members of the "postoffice family" enjoyed a picnic supper in the Fourth street park, Ontario, Tuesday evening, practically the entire force with their families being present, the attractive grounds affording a pleasant place for the children to play.

Hot coffee was made on the park stove and an excellent supper was spread.

During the evening the Fire and Dram corps of the Ontario American Legion selected the park for their place of practice and there was nothing to prevent the picnicers from appropriating the music of the splendid program and calling it their serenade.

Children Make Merry At Auxiliary Party

From 9 to 12 o'clock Thursday morning 49 happy children played to their hearts' content on the lawn at the American Legion clubhouse, the occasion being the children's party given by the American Legion auxiliary.

With ideal weather for their outdoor playing after the early morning fog broke, the children enjoyed various merry games some of them being competitive with prizes being offered, including a peanut hunt and the pinning of the wheel on the automobile, and others. Gaily colored toy balloons were also distributed to the youthful guests and added considerably to their pleasure. The children were also delighted to have their pictures made.

Many of the children were accompanied by their mothers who also greatly enjoyed the party and assisted the committee in directing the games and in serving the children with delicious ice cream and cookies.

Mrs. Floyd Atwood headed the auxiliary committee which so successfully planned and put on the party. The other members of the committee were Mrs. Frank Nichols, Mrs. A. J. Nielson and Mrs. Clair E. Kirk.

Interesting Plans For Upland Woman's Club Now Being Made

Although the Upland Woman's Club has no meetings through the summer months, the officers and directors are gradually perfecting plans for the year's work that will open Oct. 8th.

It has been decided to continue the monthly luncheon meetings, setting aside the second Tuesday of each month for these enjoyable affairs.

Mrs. Joseph Simons serves again this year as general chairman of the luncheons, with a good sized committee of members to take charge each time under her supervision. Mrs. Simons, a former officer of the Cosmos Club of Los Angeles, takes great interest in making the luncheon meetings a success believing that they add a social feature that aids greatly in furthering better acquaintance among the club membership.

The programs in connection with the luncheons will be short and snappy, each one centering around a chosen theme. Assembly singing under the leadership of Mrs. E. C. Rosenberger is planned for these meetings, with Mrs. W. R. Farmer as accompanist.

The second meeting of each month will occur on the fourth Tuesday and will be held from 2:00 to 4:00 in the afternoon, giving time for reports on Federation work as well as an interesting program.

Mrs. Beth Townsend Entertains For Friends

Mrs. Beth Townsend, west Fifteenth street, and her mother, Mrs. M. E. Hilty, entertained at luncheon Monday for Mrs. Russell Twomay of Van Nuys, Mrs. Carl Howson of San Marino, Mrs. Harley Riggins of Los Angeles, and Mrs. Brainard Smith of Pasadena. Miss Betty Townsend assisted her mother in entertaining.

Cucamonga Items

Miss Ruth Milliken, motoring in to Los Angeles on Tuesday to meet an old friend visiting the southland from Boston, Mass., planned a delightful day of entertainment for her guest, motoring through Pasadena, Glendale and Hollywood and various places of interest to give her friend a good idea of the western metropolis, Los Angeles and vicinity.

Message received by home folks Wednesday advises of the safe arrival at San Francisco from Honolulu on Monday of Mrs. Chas. F. Thorpe and daughter, Miss Constance, after their four weeks' trip to the Hawaiian Islands. Spending a day in the Bay City, they arrived in Pasadena on Wednesday, returning to their home in Alta Loma Thursday.

The sudden death of L. K. Rust at his home at Long Beach Tuesday evening was learned here by friends. Mr. Rust, who was past eighty years of age, was quite well

known here during his many visits to the home of his daughter, Mrs. E. R. Hively, Ramona avenue. Mrs. Hively is now touring the east with her family.

Mr. and Mrs. W. H. Stipe visited the latter's father, Henry Canup, at the Alvarado Hot Springs in the Puente Hills, on Sunday, Mr. Canup having been staying there the past several days taking the hot mineral baths which were hoped would prove beneficial to him.

The big storage garage owned by Henry G. Klusman on State highway will be moved by him back off the boulevard and around to the east and north on Archibald avenue, the lot on which the building will be placed, opposite the bank corner, and owned by Mr. Klusman, is now being staked and graded preparatory to moving the garage thereon. Mr. Klusman uses this structure for the housing of his cement trucks, cars and other implements and materials used in his business.

Mrs. A. K. Milliken and son, Dan, who is now home on leave from the company by whom he is employed in Los Angeles, are enjoying an outing of several days at their mountain cabin at Big Bear Lake.

Mr. and Mrs. Karl Powellson of Imperial valley were visitors here Sunday at the home of the former's parents, Mr. and Mrs. J. C. Powellson of Olive street. They returned to the valley Wednesday.

Miss Helen Keyes plans to leave next week on an automobile trip to Yellowstone park, making the trip with two of her friends, teachers at the El Segundo school. Mr. and Mrs. Herbert Powellson and children, en route from Imperial valley to make their future home in Los Angeles, were visiting their parents, Mr. and Mrs. J. C. Powellson, last week.

Called to Los Angeles by the death of her aunt, Mrs. Anna G. G. Tappan, Mrs. E. S. Bishop left for the city Thursday morning to attend the last sad rites for her aged relative. Mrs. Tappan had in the past been a guest at her niece's home in Cucamonga.

JUST A SMILE

Einstein Might Fix It
A man could save himself a lot of trouble by marrying his second wife first.—Judge.

Nice girl (leaning out of window): "Hey, Mr. Iceman, have you got the time?" Iceman: "Yes, ma'am, but I ain't got nobody to hold the horses."

Johnny's Ma: "Johnny, there were three pieces of cake in the pantry, and now there is only one. How did that happen?" Johnny: "Well, it was so dark in there I didn't see the other piece."

They were talking about modern music and dancing.

"I don't like dancing to jazz," said the girl. "It's nothing but hugging set to music."

"Well," asked the man, "what is there about that to which you object?" "The music," she said.

Mere Coincidence

"Mr. Cohen," phoned the bank cashier, "our account shows that you owe us \$50. You have overdrawn your account to that extent."

"Is dat so," remarked Cohen. "Vell, I vant you should do me a favor. Go into your books and see how vee stood in January."

A minute or so later the cashier phoned: "Mr. Cohen, your account shows that in January the bank owed you \$2,000."

"Vell," remarked Cohen, "did I phone you about it?"

There Are At Least Two
Indignant Citizen: "Officer, stop that man."

Officer: "What fur?"

Citizen: "Why, he's a bootlegger!"

Officer: "Don't yez get so excited, there'll be another one along in a minute."

A Boy's Tribute to Editors
An exchange publishes the following alleged essay of a schoolboy on the subject of "Editors."

"I don't know how newspapers got into the world, and I don't think God does, for he ain't got nothing to say about these in the Bible. I think the editor is the Missing Link we read of, and that he stayed in the business until after the flood and came out and wrote the thing up, and has been kept busy ever since. If the editor makes a mistake folks say he ought to be hung; but if the doctor makes a mistake he buries them and people don't say nothing because they read Latin. When the editor makes mistakes there is a big fuss; but if the doctor makes one there is a funeral with flowers and perfect silence. A doctor can use a word a yard long without him or anyone else knowing what it means, but if the editor uses one he has to spell it. If the doctor goes to see another man's wife, he charges for a visit, but if the editor goes he gets a charge of buckshot. Any college can make doctors to order, but editors have to be born."

On long trips, remember to drive with the spark advanced as far as possible without causing a knock. An advanced spark is a great fuel saver. However, the spark should always be retarded on starting the motor, in order to avoid a backfire.

With the approach of warm weather, have the fan belt on your car adjusted to avoid burning the bearings. The belt should not be so tight that the fan cannot be moved with the hand, nor should it be so loose that the fan slips easily when attempting to move it with the hand. If the belt is loose, it is bound to slip at high speed.

Half price sale during the month of July on all discontinued stamped goods at The Upland Art Shoppe. 17-2

Mrs. Rose Burwell, 491 East Ninth street, had the pleasure of a visit last week-end from her son, Paul Norby, of Los Angeles.

J. Fossett, accompanied by his daughter, Miss Elizabeth Fossett, made a business trip to Los Angeles and other places in that district Monday.

Mr. and Mrs. R. Frank Lemon and son, Rollin, spent last week-end in Los Angeles visiting Mr. Lemon's sister, Mrs. F. A. Wood, on Arden boulevard.

Is your baby lucky?

Of course he is... your baby! But he'll be luckier if you keep Squibb's Castor Oil (Tasteless) in the medicine cabinet! It's so easy to take.

Squibb's Castor Oil (Tasteless) is a pure, brilliantly clear, tasteless and odorless castor oil. It remains tasteless too. Every member of the family can take this wonderful Squibb Product—without a lot of fussing.

Come to us for prescription service too. We call for and deliver prescriptions.

Floyd Jones of the Miller & Jones garage is confined to his home with an attack of the "flu".

See our ready-made Suits and Trousers. You'll be surprised at the very low prices.—S. J. Merchant, 149 Second Ave. 1t

Mr. and Mrs. Roy Creighton and son Jack returned today from Los Angeles, where they spent two days attending the national Elk's convention.

Mrs. Anna Eymann, who has been seriously ill at her home on Washington boulevard is reported resting a little easier, which her friends and neighbors are very glad to hear.

David Vasbinder, Steve Allee and Henry Klenze tried their luck fishing at Hemet Tuesday. The catch was good, all three getting a nice string of fish and Mr. Klenze securing the limit.

Mrs. Emma Ruth and daughter Helen returned Sunday from Big Bear, where they had spent the week with Mr. and Mrs. Ledig and children of Cucamonga, who are spending a month at their cabin at the resort.

Mr. and Mrs. Starling Carter and two children, of Second avenue, and Mr. and Mrs. John Carter and baby spent last week-end at Goff's Island, near Laguna Beach, and had a very enjoyable outing. They report the fine fishing and a good catch.

Dr. Claude P. Mengle of Upland, Dr. H. W. Fredericksen and Dr. Harris T. Fagan of Ontario attended the meeting of the Optometrists association which was held Tuesday night in Redlands at Martha's grill. The feature of the meeting was the report made on the optometrists' state convention recently held in Los Angeles.

A cablegram from Paris this week brought to Mr. and Mrs. R. F. Lemon the welcome news that their daughter, Miss Elizabeth Lemon, had arrived in Paris with the party of California college girls with whom she recently sailed from New York. The message stated they had a delightful passage and all were well and greatly enjoyed their trip. This was the first news received from the travelers since they left New York.

Gaberlines are going to be much in style for men's suits. See our sample line now on display.—S. J. Merchant, 149 Second Ave. 1t

Mrs. A. J. Beatty of Pittsburgh, Pa., is here to spend the summer with her son-in-law and daughter, Mr. and Mrs. David Vasbinder, 732 First avenue.

Mr. and Mrs. W. C. Born went to Pasadena Wednesday to visit Mr. Born's sister, Mrs. Minnie Sanders, who has been ill. She is now improving.

Mr. and Mrs. Don E. Palmer and small daughter Barbara will leave this evening on a vacation trip to Chicago where they will visit relatives for some time.

The new samples for fall and winter International tailored suits are now here. Come in and see how low the prices are for the excellent quality.—S. J. Merchant, 149 Second Ave. 1t

Mr. and Mrs. Charles Rudy went down to El Centro Wednesday on a two-days' trip, during which Mr. Rudy transacted business concerning his El Centro property and inspected his 83 acres of cantaloupes.

Mr. and Mrs. Hugh MacLean and daughter, Elsie, left yesterday for a 10-days' vacation, during which they expect to motor through the northern part of the state. The two sons of the family, Eddie and Hughie, are at the Y. M. C. A. camp at Jenk's lake. During the MacLeans' absence the Reliable Shoe shop will be in charge of Everett Liles.

Miss Minnie Sprunger and her sister, Mrs. Otis Talle and Mr. Talle and their children, Katharine, Bobbie and Gladys, all of Pasadena, were guests Wednesday of Mr. and Mrs. Oscar Gaither in San Antonio canyon. Miss Sprunger was formerly bookkeeper in the E. A. Bowen store here, and Mrs. Talle (Miss Meta Sprunger) was employed by Charles Rudy, and both have many friends here.

Jack Springer, son of Mr. and Mrs. William Springer, Euclid avenue, has been transferred from Los Angeles to the San Francisco office of the H. K. McCann Advertising agency. After joining the firm, Mr. Springer was placed in the San Francisco office, then later placed in charge of the company's activity in the northwest, with an office at Seattle, and a short time ago transferred to Los Angeles. His return to San Francisco comes as an advancement with a very responsible position in the Bay district work.

SETTING A STYLE FOR SALVADOR

Captain Henry Stephenson of Panama Mail liner "El Salvador," deputized by Vice-President Vides of Salvador to purchase graduation gift for his daughter, Miss Enriqueta Vides, selects Buick Sedan as most appropriate for her position in Salvador society. Miss Vides, the unknowing owner of the stylish new car, is a passenger on the "El Salvador," which is carrying gift to her home in Santa Anna, where presentation will be made.

Mrs. Lottie V. Fuller, 451 East Tenth street, has as her guests Misses Minnie and Grace Esler of Redlands.

Ready-made Suits from \$22 up. The quality is excellent. Come in and look them over. No obligation to buy.—S. J. Merchant, 149 Second Ave. 1t

Ward Shulze of Victorville, and his sister, Miss Helen Shulze, who is a student nurse at the Pasadena hospital, spent the week end with friends in Upland.

Hats! Hats! Hats! — One group \$3; one group \$1, and one group 50c; wonderful values.—Cress D. Grier, 365 E. Ninth St. 18-1

Mrs. E. A. Dockett, 278 First avenue, is leaving for Del Mar, where she will be the guest of a friend, Mrs. Alice Ward, for a few weeks. Mrs. Ward is a former Upland resident.

John W. Tate, ticket clerk at the P. E. station, has returned from a three-weeks' vacation spent in his home state of Michigan, visiting Detroit and other points in that state. He returned to Upland via New Orleans.

Mrs. George R. Crane, who has been very ill for several days, was resting very well today, being slightly improved.

L. R. Bradley spent Wednesday in Los Angeles attending a meeting of the California Fruit Growers Exchange.

Clifford Jellison, whose illness has kept him confined to his bed for several days, is somewhat improved today and he hopes soon to be up again.

Today is the glorious twelfth—Orangemen's day—commemorative of the Battle of the Boyne in Ireland, in the war between the Protestants and Catholics.

The Greatest Dress Sale ever offered this community, starting today. 150 dresses, values up to \$25, for \$5. 200 summer hats, \$1.00. New Fall Hats, suits, silks and crepes, \$3.95 and \$4.95. Don't miss this sale. The Vogue Millinery, 222 N. Euclid avenue. 18-2

A CAR IN THE SHOP AND IDLE MONEY

You know a machine that is out of commission is costing more than the actual repair bill—its costing in loss of service.

When money you have earned, or received through other channels, isn't kept working for you, it's like the broken car, not giving full service.. So your money may be kept working at top speed for you all the time if deposited in our Term Savings Accounts. Interest compounded semi-annually.

His Sole Souvenir
"Yes, I was driving along in Sicily when robbers came and took everything—money, watch, and even my car."

"But I thought you had a revolver on you?"
"Yes, I had, but they did not find that."

J.J. ATWOOD CO.
Upland, Calif.

NEWS OF ETIWANDA AND THE COMMUNITY

C. W. Baremore, Former Resident There, Passed Away in Hawaiian Islands

Bruce Rader, who has been residing with his aunt, Mrs. Charles Donnelly, for the past school year, left Saturday morning for Tulalip, Wash., where he will spend the summer with his aunt, Mrs. F. A. Duclos, who has her home on an Indian reservation on Puget Sound. He was accompanied by his sister, Miss Rowe Rader of Los Angeles, who will stay only two weeks; also by Arthur Freeze of Upland.

J. C. Jones was up from Oas to spend Tuesday with his son, R. S. Jones.

Miss Katherine Tibbetts, formerly of Etiwanda, was married Saturday, June 29, to Milton James at Blackey, Ore.

Mrs. F. E. Bedient of Sacramento, who will be remembered here as Miss Ethel Stevens, is the happy mother of twins, a boy and a girl, born on July 3.

Mr. and Mrs. Jack Lewis and son Jimmy, of Exeter, who once resided in Etiwanda, visited their friends and relatives here the 4th of July.

The many Etiwanda friends of C. W. Baremore, a former resident here, were saddened by news of his death, which occurred in the Hawaiian Islands June 24, after less than a week's illness, following a stroke. Mr. Baremore, whose home has been at Montecano, Wash., since selling his home here, has been a frequent visitor at the home of his cousin, Mrs. Thos. Donnelly, and was a guest at her home during last Christmas holidays en route to Hawaii to make his home.

Mr. and Mrs. Merwin Fowles visited the latter's parents, Mr. and Mrs. William McClean, Sunday. Cyrus McClean, who is staying in Santa Monica, visited the McCleans Saturday evening.

Cucamonga Items

Celebrates 76th Anniversary

S. M. Roberts was able, with renewed vigor and health, to celebrate his seventy-sixth anniversary July 5, when his daughters, Mrs. W. C. Axley of Cucamonga, and Mrs. Foster Todd of Los Angeles, their house guest, most happily arranged a celebration dinner in his honor that day, and given as an outdoor affair at East Fourth street park. Members of the family able to be present on this auspicious occasion were: Mrs. Roberts and their son and family, Howard Roberts, with Mrs. Roberts and their children, Miss Frances, Bob and Nieland, of Upland; Mrs. Roberts' father, John Baruch of Woodlake, Calif.; Mr. and Mrs. Walter Goldsmith (Marie Axley) of Ontario; Mrs. Foster Todd, Los Angeles; Mrs. Helen Todd Peterson, Mr. and Mrs. W. C. Axley and son Leo, Mr. and Mrs. Harvey Axley and small son.

Mr. and Mrs. Gordon Billings are enjoying a week's vacation from business and household cares and taking in the Elks convention in Los Angeles.

Mr. and Mrs. Harry Roberts and son Ronald returned Monday from Newport Beach, where they have been enjoying a delightful sojourn at the Bonillas cottage on the beach for the past week.

Mrs. W. C. Belden arrived home last Friday from Honolulu, where she has been spending the past year. She was met by her relatives and by her son, W. Sam Belden, who had motored down from his home near Merced to meet his mother upon her arrival at San Pedro. Mrs. Belden is now domiciled again at the Belden home in No. Hellman Ave.

Mr. and Mrs. Arthur Relp have leased their home place on Lomite drive to Deputy Sheriff D. W. Brown, and have moved to the Beverly Hills district, where

they are near Mrs. Relp's mother and her old home.

Mr. and Mrs. George Klusman and son, George, Jr., are enjoying a ten days' outing as guests at the O. P. Whitney cabin on Big Bear Lake.

During the months of July and August the Alta Loma Community club will meet as usual on their regular monthly night, the second Friday in the month, but will not "feast" as has been the custom, the worthy chef and his assistants being given a well-earned vacation. The meeting is called for 7:30 o'clock this Friday evening.

Fire of unknown origin completely destroyed the one-story frame dwelling and contents belonging to Wm. Relp on Monte Vista street, the fire being discovered about 2:30 o'clock by Mrs. Herbert T. Blake, living on Amethyst street, who was awakened by the crackling of the flames. The alarm was given and members of the Alta Loma fire department responded at once, but so far advanced were the flames that efforts of the firemen were confined to protecting adjacent property and preventing the fire from spreading. The house was valued at around \$3000.

A delightfully arranged bridge tourney was the entertainment planned for members of the Alta Loma Bridge club by Mrs. Franklin Roth, who was hostess Wednesday morning at her home in Euclid avenue, Ontario. Lovely garden flowers beautified the home, tables for the auction games being invitingly placed in the spacious living room. The round of auction progressed merrily until the noon hour, Mrs. B. H. Wilson winning highest honor score in the play. A delicious luncheon was served by the hostess. A welcoming home reception was given to a returning club member, Mrs. W. C. Belden, recently arrived home after a year spent in the Hawaiian Islands.

J. C. Powellson, well-known citrus rancher of Alta Loma, stricken suddenly severely ill last Saturday while burning brush on his grove in Highland avenue, is reported out of danger and although still confined to his bed, is making good progress toward his usual good health. It is thought the sick man was overcome by the heat, which brought on other troubles. Anxious over his condition on Sunday, W. E. Pyle motored up to Big Bear Lake for Mr. and Mrs. Chas. Beckley, the latter a daughter of Mr. and Mrs. Powellson, who with their children had been at their mountain cabin since Friday. Mr. and Mrs. H. L. Parker of Pasadena, who with their daughters, were guests of the Beckleys at the lake, returned to the valley on Monday, stopping at their parents, Mr. and Mrs. Geo. Keyes, before going on to their home in Pasadena, from which place they left at once on a week's fishing and camping trip to Bishop and vicinity.

Solano Embroidery Club To Meet Wednesday

The Solano Embroidery club, composed of a group of neighbors in the colony in San Antonio canyon, will meet Wednesday at the home of Mrs. Oscar Gaither.

Cool Off at the Beaches

UPLAND YOUTHS IN CHAFFEY ACTIVITY

Summer Playground Being Conducted by Ontario is Attracting Many

Many Upland youths are today taking advantage of the facilities afforded for supervised playground recreation, being offered by the city of Ontario on the Chaffey campus. Fred H. Clapp of the Chaffey faculty, is in charge of the summer program.

Starting at 9 o'clock and ending at noon, the youths are entering in various sports, including tumbling, indoor baseball, tennis and basketball, with a story period the last of the events.

The number of youths is increasing and within a few weeks Mr. Clapp expects a capacity number. This is the first definite attempt made to conduct such a playground.

Those registering from Upland since the summer program started the first of the week are: Sara Jean Mehl, Virginia Peters, Walter Schultz, Virginia Lee, Ruth Settle, Evelyn Bailey, Eldon Bert, Junior Waltman, James Settle, Allen Frost, Margaret Kilpatrick and Elinore Galentine.

Before the end of the summer program, it is planned that the Chaffey swimming pool will be in operation. At present repairs are being made and improvements added, making the equipment of the most modern type.

Fox Granada To Have New Sound Equipment

Installation of the latest achievement of the Western Electric company in the field of sound equipment for the projection and presentation of real talking pictures is rapidly progressing in the Fox Granada theatre, Ontario, under the direction of C. L. Cronkite of Electrical Research Products, Inc. The electricians will complete their work on Thursday, July 18, without in any way interfering with the operation of the house during the preceding days. The Fox Granada will be closed to the public on Friday, July 19, when final adjustments of the new system will be completed in ample time for the formal opening on Saturday afternoon, July 20, when every unit of the program excepting only the showing of the serial "The

Church Directory

FIRST MENNONITE CHURCH
Campus and Washington Blvd.
A. Donald Minton, Supply Pastor
Services at this church for next Lord's Day will be as follows:
9:30 a. m.—Sunday school, classes for everyone.

10:30 a. m.—Morning worship; subject, "Building a Christian Life."
7:00 p. m.—Christian Endeavor meetings.

7:45 p. m.—Evening service; subject, "The Saviour's Invitation." Come and sing with our chorus choir. Special music.

BRETHREN IN CHRIST CHURCH

Home of Beulah College
B. M. Books, Minister
H. G. Brubaker, Asst. Min.

The Lord's Day opens at our church with an hour of prayer at the church at 6:30 a. m.
Sunday school, 9:30, and preaching at 11.

Young people and junior leagues meet at 6:30.

Praise 7:30; preaching at 8:10. Mid-week worship Wednesday evening: Sunday school teachers' training, 6:45; prayer hour, 7:30. The non-church goer is here welcome.

Chinatown Mystery" will be all talking.

The splendid acoustics of this theatre will bring out the wonderful qualities of this newest Western Electric system to the best advantage, and insure to patrons perfect presentations of the remarkable pictures with which the programs will be regularly marked. No advance in prices is contemplated.

Mr. and Mrs. George Stowell and Miss Helen Caldwell spent last weekend at their cottage at Laguna Beach.

ST. MARK'S CHURCH
Euclid Avenue and F Street
Rev. Bert Foster, D.D., Pastor
Seventh Sunday after Trinity.
Morning prayer and sermon, 9:30 a. m.

The rector was pleased with the response of the congregation to the change in the hour of service, and believes it will prove satisfactory in escaping the greater heat of the day.

UPLAND METHODIST-PRESBYTERIAN CHURCHES

The Upland Union services for the Methodist and Presbyterian churches will be held this month in the Methodist church. The pastor of the Presbyterian church in charge.

Morning service at 11 o'clock. The evening service will be held in the Chaffey out-door assembly in union with the Ontario churches. Mrs. William Laidlaw is to be the speaker.

Sabbath schools and young people's meetings will be in the individual churches as before the summer changes.

Union prayer meeting in the M. E. church at 7:30 on Wednesday evening.

The Hostetter and Baldwin Families End Long Trips

A letter received by The News Thursday brought word from former Upland families, the Baldwins and the Hostetters. The Rev. Lester Hostetter, for one and a half years pastor of the Upland Mennonite church, and his family left the latter part of May for their former home and pastorate in Sugar Creek, Ohio. On June 16, not yet

Upland Girl Hurt In Car Accident at Santa Barbara

After figuring in an automobile accident which interrupted her week-end vacation trip, Miss Dorothy Allen, daughter of Mr. and Mrs. W. E. Allen, returned home Sunday night and is practically recovered from her injuries.

Miss Allen was accompanying Mrs. Ray F. Keough and her son, "Zeke" Keough of Pomona, on a week-end trip to Sunnyvale, near Oakland, where Mr. Keough expected to remain for the summer. Near Santa Barbara late Friday night the party ran onto a strip of road under repairs and the car struck the warning sign, which was said to be without a light, causing the car to skid and turn over. Miss Allen suffered a painful scalp wound, as did Mr. Keough, and Mrs. Keough was injured on the back of the neck and received lacerations on the body. They were placed in a hospital in Santa Barbara, where it was found none was seriously hurt. Mr. Keough was notified and went to Santa Barbara and brought them home Sunday.

knowing that Richard T. Baldwin had sold The News and was preparing to return to Michigan with his family, Mr. Hostetter wrote him a letter which was sent to Upland and then forwarded to the Baldwins, overtaking them somewhere in South Dakota. Mr. Baldwin, knowing Mr. Hostetter's friends here

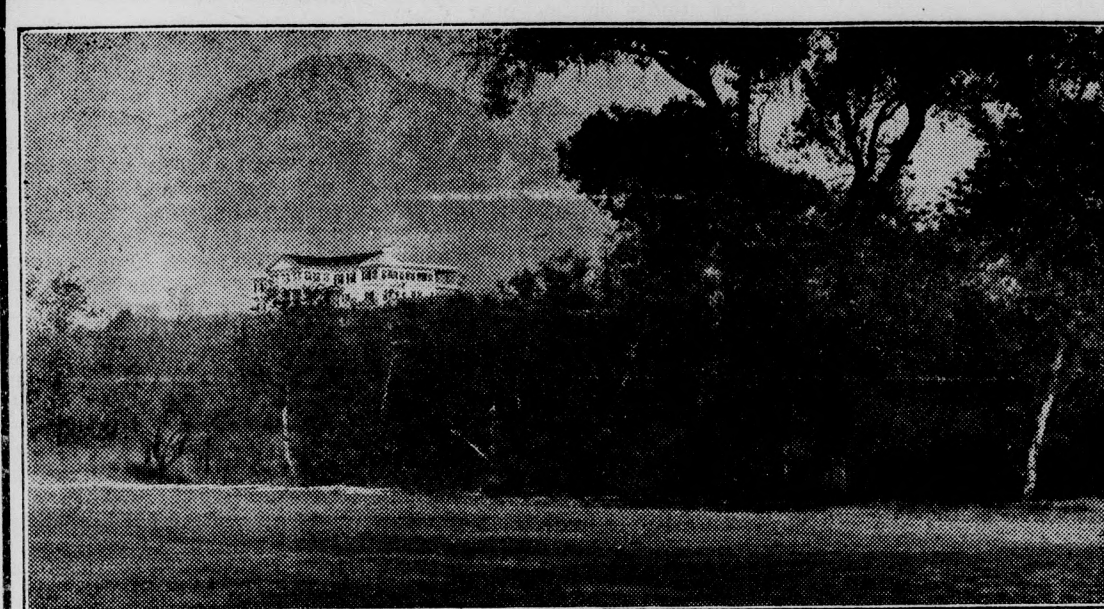

would enjoy hearing from him, sent the letter back to Upland. The Hostetters had a pleasant 15 days trip home with the exception of a several-hour encounter with a sand storm in New Mexico, and they received

a warm welcome from the home town friends. The Baldwin family also had a very pleasant trip and no doubt are in their Michigan home this time having been in South Dakota on July 8.

K. Club Wins as Ninth Inning Rally By Woodman Falls Short

Carl E. Bice, Modern Woodmen pitcher, after twirling a steady stream of balls, had an opportunity in Wednesday night's game seldom afforded anyone.

It was first of the ninth inning, Woodmen were at bat. The score was 10 to 9 in favor of the K. Club. The bases were full, and two men out. Cecil Meyers, O-K club pitcher, had been touched frequently in the first frame and a desperate rally was under way for a Woodmen victory. Bice faced his opposing team. A hit would have meant at least two runs, and a possible two. Two strikes were against him. Three balls had been called. Meyers wound up again—to end the game and place his team in game rank in the league standing. Bice fanned, the game ended, and the necessity of the final out of the last inning. Previous to this final suspense, there was nothing in the game. It did either team credit. Occasionally there was a spark of hot baseball, but not often. Meyers connected for a clean-homer in the first frame.

SCHEDULE
July 15—Etiwanda vs Woodmen
July 17—O-K Club vs Cucamonga

ETIWANDA PUT IN LEAGUE AND WILL BATTLE TONIGHT

Alta Loma Withdraws and New Team Plays Lemon Growers on Local Field

Etiwanda is today in the Upland Night Baseball league, succeeding Alta Loma, which withdrew due to failure to get a pitcher, and the new team's introduction to the class of ball played here comes tonight in a game with the league-leading Upland Lemon Growers team.

Not only does Etiwanda take up the Alta Loma schedule, but it also takes Alta Loma's ranking in the league standings—fifth place.

From indications, however, the Etiwandans will climb up and possibly give the Growers a stiff fight for first place. In practice games the Etiwanda ranchers offered some strong competition and this team is rated as one of the best in the county.

As to individual players, however, little is known here, and the diamond battle tonight will be a get-acquainted affair from many angles.

This will be the sixth game for Enos Leaman's outfit and up-to-date his team has a clean slate.

Two Upland Youths in Juvenile Detention

Two Upland youths are now in the juvenile detention home at San Bernardino and will have ample time to think over their wrongdoings until their hearing comes off, which will probably be next Monday.

The lads are Charles Collinsworth, Jr., of West Tenth street, aged 15, and Maurice Harry Dubin, 14 years old, who lives with his parents near the Alpine resort. The boys were arrested yesterday morning by Officer Loch at the Upland Feed and Fuel Co. John Clausen, who has a chicken ranch at 650 West Ninth street, had been missing grain sacks at intervals during the past year or so and the feed dealers had been requested to notify police headquarters if any were offered for sale, so when the boys attempted to sell about fifty of the sacks at the above named place of business Officer Loch stepped in and arrested them. Chief Sawyer took the lads to San Bernardino yesterday afternoon to await their fate. Such instances as this should be a warning to lads that the best path to travel is that of the right.

Mr. and Mrs. H. K. Mitton of Ft. Collins, Colorado, spent a part of Wednesday at the home of Rev. W. I. Doole. Mr. Mitton is a delegate to the Elks convention in Los Angeles. He was a former member and officer in the Presbyterian church at Adams, Nebraska.

HOME OWNING on a Small Salary

IT MAY surprise you to know that fully half of the homes in this country are owned by men who make less than \$2000 a year.

How do they do it? Through loans such as those made by this association. These loans are put upon a monthly repayment basis about like rent. Both interest and principal are included; one mortgage stays in force, eliminating costly renewals; never any large sum to meet. This is the one plan that helps you to get out of debt, easily, and over a period of years, it is distinctly cheaper.

We loan money to build or buy a great many homes which never WOULD have been COULD have been owned in any other way.

You can do it, too, if you are now paying rent regularly. Come in and let us tell you how.

NOTICE OF TRUSTEE'S SALE

Loan No. 768

WHEREAS, W. C. MARK and ANNIE L. MARK, husband and wife, heretofore executed and delivered a certain Deed of Trust, dated February 8, 1928, to J. O. HENDERSON, as Trustee, to secure the payment of one Promissory Note to PACIFIC STATES SAVINGS AND LOAN COMPANY, a corporation, and also all other indebtedness agreed by said Deed of Trust to be secured, which said Deed of Trust was recorded in the office of the County Recorder of the County of San Bernardino, State of California, in Book 322 of Official Records, at page 319; and

WHEREAS, default having been made in the payment of said Promissory Note according to its terms, PACIFIC STATES SAVINGS AND LOAN COMPANY, the owner and holder of said Note and Beneficiary under said Deed of Trust, recorded on March 29, 1929, in the office of the County Recorder of the County of San Bernardino, State of California, in Book 486 of Official Records, at page 77, a notice of breach and of its election to cause all of the property under said Deed of Trust to be sold to satisfy the obligation thereunder; and

WHEREAS, more than three months have elapsed since said recording of said notice of breach and election to sell, and said PACIFIC STATES SAVINGS AND LOAN COMPANY has demanded that the undersigned, as substituted Trustee, sell the property included in said Deed of Trust, pursuant to the terms thereof and the provisions of the law;

WHEREFORE, NOTICE IS HEREBY GIVEN, pursuant to said demand and the terms of said Deed of Trust, that the undersigned, as substituted Trustee thereunder, will, on the 1st day of August, 1929, at 10:00 o'clock a.m., at the front steps of the residence situated on said property, sell without warranty, at public auction, to the highest cash bidder, as an entirety, all of the property covered by said Deed of Trust. The property herein referred to and which will be so offered for sale is described as follows:

All that real property in the City of Alta Loma, County of San Bernardino, State of California, described as follows: Lot Nineteen (19), Tract 2326, in the County of San Bernardino, State of California, as per plat recorded in Book 33 of Maps, page 45, Records of said County.

Terms of Sale: Cash, United States Gold Coin, payable at time of sale.

Dated July 1, 1929.

ORDINANCE NO. 237

An Ordinance Fixing the Amount of Money Necessary To Be Raised by Taxation For the Present Fiscal Year

The Board of Trustees of the City of Upland do ordain as follows:

Section 1. That the amount of money necessary to be raised by taxation upon the taxable property, within the corporate limits of the City of Upland, as the revenue to carry on the ordinary departments of said municipal corporation, for the current fiscal year, not to exceed the amount fixed by law, and to pay the bonded indebtedness and other indebtedness of such municipal corporation, is hereby determined and fixed as follows, to-wit:

(a) The amount of money necessary to be raised for the general fund is hereby fixed at \$38,000.00.

(b) The amount of money necessary to be raised for the library fund is hereby fixed at \$8,000.00.

(c) The amount of money necessary to be raised to pay principal and interest on the bonded indebtedness of said city is hereby fixed at \$12,000.00.

Section 2. The amounts hereinbefore specified are in addition to the amounts necessary to be raised for parks, music, and for advertising purposes, as provided for in and by Ordinance No. 86, which amount for said purpose is fixed at \$4,500.00, and in addition to the amounts necessary to be raised for fire equipment as provided by Ordinance No. 226, which amount for said purpose is fixed at \$5,000.00.

Section 3. This ordinance shall be in force from and after its adoption and approval.

Section 4. The city clerk shall certify to the passage of this ordinance and cause the same to be published once in The Upland News.

I HEREBY CERTIFY that the foregoing ordinance was adopted at a regular meeting of the Board of Trustees of the City of Upland, held on the 5th day of July, 1929, by the following vote, to-wit:

Ayes: Johnson, Francisco, McQuillen, Moser, Buffington.
Noes: None.
Absent: None.

E. C. MEHL,
City Clerk, City of Upland
I hereby approve the foregoing ordinance this 5th day of July, 1929.

A. H. JOHNSON,
President, Board of Trustees,
City of Upland

NOTICE OF TRUSTEE'S SALE

No. SB-6089

WHEREAS, by Deed of Trust dated March 3rd, 1928, recorded March 14th, 1928, in Book 345, at page 52, and following, Official Records of San Bernardino County, State of California, to which record reference is hereby made, Robert F. Leonard and Leah A.

Leonard, husband and wife, did grant and convey the property therein and hereinafter described to PIONEER TITLE INSURANCE AND TRUST COMPANY, a corporation; as trustee, to secure, among other things, the payment of one certain promissory note in favor of W. A. Strong, and other sums of money advanced and interest thereon, and

WHEREAS, default was made in the payment of the principal sum of said note due March 3rd, 1929, and in the payment of interest due thereunder on June 3rd, 1928; September 3rd, 1928; December 3rd, 1928, and March 3rd, 1929, and the said W. A. Strong, in accordance with provisions of law applicable thereto, did record in the office of the County Recorder of San Bernardino County, State of California, a notice of such breach of obligation, and of his election to declare all indebtedness evidenced by said promissory note and secured by said deed of trust immediately due and payable, and of his election to cause the said property to be sold to satisfy the obligations secured by said deed of trust and to accomplish the objects of said trust, and has demanded that the undersigned trustee sell the property granted by said deed of trust, in accordance with the terms thereof, for the purposes therein and herein stated, and

WHEREAS, more than three months have elapsed since the recording of said notice, and said default has continued to this date.

NOW, THEREFORE, Notice is hereby given that the PIONEER TITLE INSURANCE AND TRUST COMPANY, by virtue of the premises and of the authority vested in it by said deed of trust as trustee, will sell at public auction to the highest bidder for cash in gold coin of the United States, on the 23rd day of July, 1929, at the hour of 10:00 a.m. of said day, at the northern entrance of the court house in the City of San Bernardino, County of San Bernardino, State of California, all the interest conveyed to it by said Trust Deed in and to all of the following described property situate in the City of Upland, County of San Bernardino, State of California, to-wit:

The North Fifteen (15) feet of Lot Ten (10) and the South Forty-five (45) feet of Lot Nine (9), in Tract No. 2213, as per plat recorded in Book 31 of Maps, page 90, records of said County, being a subdivision of a portion of Lot Five Hundred Forty-one (541), ONTARIO COLONY LANDS, as per plat recorded in Book 11 of Maps, page 6, records of said County.

Together with all appurtenances, or so much thereof as shall be necessary to pay the total amount of the principal, interest, advances, charges and costs then due and unpaid.

Dated at San Bernardino, California, this 27th day of June, 1929.
PIONEER TITLE INSURANCE AND TRUST COMPANY,

STATE TO SPEND TEN MILLIONS IN BUILDING FUNDS

Three New Institutions Planned
For Southland Territory
During 1929-30

BIG BUILDING PROGRAM

Expenditures For Permanent
Improvements Over
\$8,000,000

Gigantic public building program for California, involving the expenditure of approximately \$10,000,000 within the next two years was launched with the release of funds set up in the 1929-30 budget for permanent improvements and of funds provided in the special appropriation bills signed by Gov. C. C. Young. Three entirely new institutions, authorized in special appropriation bills sponsored and signed by Gov. Young, will be created by this program. These are the women's prison for which \$475,000 was appropriated, between eighteen and twenty-four, the initial cost of which will be \$375,000, and a new hospital for the insane upon which \$1,000,000 in all will be spent during the next two years. All of these institutions will be located in Southern California.

The total expenditures set up in the budget for permanent improvements, inclusive of sums added by Gov. Young after the budget bill had been introduced, amount to \$8,447,925. Special appropriation bills signed by the executive add \$1,470,000 to this figure. The major part of the budgetary appropriations is represented by that part of the so-called "ten-year building program" to be completed in 1929-30. This program, devised by the department of finance and enthusiastically endorsed by Gov. Young, is an attempt to visualize the needs of the various state institutions over a period of ten years and to make additions and betterments in a business-like way, based on scientific studies instead of the "hit or miss" method.

New buildings for the state fair at Sacramento, \$210,000; new buildings and permanent improvements for the Ventura, Preston, Breston and Whittier state schools, the state hospitals at Agnew, Mendocino, Napa, Patton, Norwalk and Stockton, Sonoma state home, Pacific Colony, industrial home for adult blind, \$3,162,695; buildings and improvements for the Veterans Home at Yountville and for the California National Guard, \$692,450; improvements for San Quentin and Folsom prisons, \$660,000; new buildings and improvements for state teachers colleges at Chico, Fresno, San Diego, Humboldt, San Francisco, San Jose and Santa Barbara, California Polytechnic and schools for deaf and blind, \$2,216,450.

SECOND GAME FARM OPENS NEAR CHINO

Game Birds To Be Propagated
For Distribution in Southern California

California's second game farm, where various upland and other game birds will be propagated for distribution in the game territory of Southern California, will soon be functioning.

The new farm is located on a twenty-nine acre tract close to the Los Seranos Country club a few miles from Chino, in what is considered ideal surroundings for the raising of game birds.

The enclosure for the birds is 270 feet wide, 312 feet long, and contains 122 pens. These pens are 24 feet square and 7 feet high. All fencing materials, such as posts, rails, gates, etc., are of steel, and heavily galvanized after weaving wire mesh is used to cover up the sides and tops of the pens.

The only wood used is three eight inch boards that are placed at the bottoms of all pens, and frames for removable partitions. At the first farm at Yountville wood construction was employed, but in the new farm a different type was employed, which is new in this sort of work on the Pacific coast.

Materials have been contracted for, grading arranged for, and it is thought certain that within a few weeks this farm will be ready to house the heavy shipment of birds that will be used to stock up the new farm.

The estimated cost for the living quarters for single and married help, feed and incubator houses, grading, the erection of wire enclosure and the installation of the unique sprinkling and watering system such as is used at the Yountville farm, is \$20,000.00. The buildings, which will be of Spanish style of architecture to harmonize with the

Parks: San Antonio Park, 15 Acres; D Street Park, 1 acre; Euclid Park, 6 Acres

Average Rainfall: 22 inches.

Average Temperature: 70 degrees, Maximum 98 degrees, mean 28 degrees.

Altitude: 1,200 ft.

Euclid Avenue: 18 miles long; seventh most beautiful Avenue in the world

Red Hill Country Club: Golf Course, Swimming Pool, Tennis Courts, and other open-air sports

Newspapers: Upland News, semi-weekly.

Monument: "The Madonna of the Trail"; Dedicated to the Pioneer Mother, presented by National Society of the Daughters of the American Revolution to City of Upland; only one in California. Site, Euclid Avenue and Santa Fe Trail (Foothill Blvd.)

Mt. Baldy Resorts: Including CAMP BALDY, the premier mountain resort of Southern California, having nation-wide renown. Thirty minutes from Upland by auto up beautiful San Antonio Canyon

Foothill Blvd.: Known as Highway No. 66, passes thru Upland from San Bernardino to Los Angeles. A scenic drive along the foothills always a delight to the motorist.

Arrow Highway: One of the newer major highways of Southern California, the shortest route from San Bernardino to Los Angeles. It taps the heart of the Citrus Empire showing the magnitude of the Citrus Industry

Upland is ideally situated, a short drive to the beach and an even shorter one to the mountains for summer or winter sports

To the east of Upland are the largest individually and company owned vineyards in the world. Grapes of all kinds are successfully grown in enormous quantities

Upland is just high enough to be practically above the fogs. This fact has decided many a homeseeker

The TOWN DOCTOR SAYS

GET SOLD ON THE PLACE WHERE YOU LIVE

Every thinking citizen wants to see his community grow, and most people are willing to "get behind and boost." But from the letters people write me, it appears that they do not know how or what to do, or what to keep from doing.

The problem that confronts every community is one of selling; you have to sell your town—sell people on your town.

It sounds simple—and it is simple—when you know how.

A few years ago I had the pleasure of conducting a campaign to sell a state. In practically every town someone would say, "That's simple and sounds like a good idea, but who'll buy it?"

The procrastinator and the fellow who was satisfied with things as they were would say, "This is a pretty good town; why sell it?"

And the knocker would chime in with, "That is a good idea. Sell it and get rid of it."

Then there was the individual who said, "Wal, we been gittin' along all these years without it, why should we change now?"

Perhaps you think the same, as pertains to selling your community, but regardless of how you feel or think, the fact nevertheless remains that you must sell your community—sell people on your community—if the place where you live is to keep pace with modern times.

For a community to be modern it must keep up to and ahead of other communities. If one community makes rapid strides to the betterment of living and working conditions, becomes a more attractive and interesting place to reside in, if its people are happier, more content and more prosperous, it's up to other communities to profit by their experiences and not only do the same, but outdo them!

To keep ahead—be modern—requires constant changing. Bruce Barton says, "When we quit changing we're through," and to change requires salesmanship.

Selling a town or community is like selling anything else: First—is there a market? Second—country club buildings nearby, will be a credit to the establishment.

At the Yountville farm, ring-neck pheasants, quail (valley and mountain), Hungarian partridges, wild turkeys, grouse, and various other show birds, such as peacocks, reeves, golden and silver pheasants are propagated. The farm near Chino will be almost a duplicate of the Yountville farm with the exception of the practically all steel construction of the enclosure and the different style of the buildings.

5000 CITY MAPS TO BE DISTRIBUTED

Advertising Material Gives
Picture of Upland and
Its Advantages

Five thousand copies of a city folder, containing maps of the city and highways and detailed information about Upland, are today ready for distribution and they can be obtained from Clair E. Kirk, secretary of the chamber of commerce.

Showing a detailed view of the city, with the streets lined out, and the location of all points of interest and principal buildings within the city, the combined map and folder gives an accurate glimpse of Upland and its advantages.

For the first time in many years detailed information about the city has been compiled, showing its form of government, listing the public utility rates, and in general giving a word picture of the cost of living here, the growth of the community, temperature, location and elevation.

Featured prominently are figures about the citrus industry. The chamber of commerce sponsored the compilation and printing of the map-folder. James E. Good-ban was chairman of the committee in charge, and Mr. Kirk compiled the figures and data about the city. The map-folder was printed in the Upland News job printing department.

Swing Along

Mazie—I hear your boyfriend wants to settle down and get a home.

Gertie—Well, he's got a good start. I gave him the gate last night.

Its Different Now
Remember when this used to be a dirty crack? "With a voice like yours, you ought to be in the movies!"—Life.

Saving The Nation
Mr. Gann, under the revised domestic rules, should be allowed to sit at any point where the table has a leg.—Boston Herald.
